

NIGHT BREAKER® LED
SMART ECE

H11 LEDr
64211DWNBSM-ECE

Please check vehicle specific instruction list.¹⁾

www.osram.com/smart-ece-h11

Installation:
Please check car owner's manual and follow instructions for lamp replacement.²⁾

Always replace lamps in pairs if applicable!
The product inclusive the cables and accessories must be installed in a way that no damages occurs. Please make sure that all parts are fixed properly to avoid interference with any moving part or function of the car. The change of the light source requires the readjustment of the headlamp setting by a qualified workshop.³⁾

The deicing and defogging behavior can change when switching from halogen to LED.⁴⁾

Do not stare at the light source.⁵⁾
Caution!
The lamp heats up when it is in use.⁶⁾
